## Card of Thanks

### THANK YOU:

I would like to express my deepest appreciation & thanks to all of the precinct election officials, the courthouse staff & special thanks to Election Deputy Shelley Bruning for all of the countless hours preparing and managing this past General Election. I am so fortunate to have such a dedicated staff. They all did an awesome job!! Also, thanks to the voters of Ida County who participated & voted. Special thanks to those who patiently waited to cast their ballot. It was great to see an over 60% turnout. Unfortunately, I had not anticipated this huge turnout of voters & did not order enough ballots, which caused the delay at various polling locations. I do apologize for any inconvenience this might have caused; however, thanks to my excellent poll workers, every voter was given the opportunity to cast their ballot. Each General Election I give the Precinct Election Officials pins & I would like to share the message I gave them with their pins. "As you put these pins on, I would like you to take a moment & reflect on the responsibility you have with regards to this election process. What an honor you have in administering one of the most important duties our nation possesses, & that is the freedom to vote. Let's remember our military this day, who continue to fight & defend this freedom we experience every day of our lives & remember those who gave the ultimate sacrifice to preserve this precious freedom!!" Thanks again for serving Ida County in this capacity!! It is truly appreciated!! Sincerely,

**Lorna Steenbock,**  
Ida County Auditor
