## Card of Thanks

### THANK YOU:

There aren't enough words to express our sincere gratitude for the outpouring love & support we've received after the passing of our loved one. Jerry would've been amazed on the overwhelming amount of people who came by to honor him & to support his family. It's times like these that remind us of how grateful we are to have such great friends & to live in such a supportive community. We'd like to give a special thanks to the Arthur First Responders & Ida Grove Ambulance for their quick response & care, Josh & his staff at Christensen- Van Houten Funeral Homes for their professionalism & making a difficult process seamless, Deacon Butch Stone & Father Ball for their outstanding job on the visitation & funeral services & Mel & Rich at The Bowling Alley for the delicious meal provided afterwards. Thank you to the Odebolt Community Center & those who volunteered & went above & beyond to make it possible to have the luncheon there. We are truly blessed & cannot thank everyone enough for all you have done & continue to do; we are forever grateful.

### THANK YOU:

The family of Harriett Michaelsen would like to thank so many people, starting with Mom's neighbors, the Rex Reisdorphs. They came to the rescue when Mom fell & Karen couldn't get to her because she was snowed in. Thanks for the care the EMTs gave her. The people at the nursing home were wonderful, both to Mom & to us, the family. The memorial service after Mom's death was very special-thanks. And, then, there was the funeral, with so many helpers in the kitchen & all the food brought in. We thank you all. Pastor Dorie, you made us smile during the service. Mom would have been so pleased; I know we were. And, then, looking back to Mom's coffee ladies, her congregated meal friends with dominoes, the taxi drivers & all our friends to help us through "those days." Thank you, everyone. We couldn't have done it without you.
