

PUBLIC NOTICE:
MIDAMERICAN ENERGY
IDA GROVE II WIND PROJECT
MEETING

MidAmerican Energy Company, a public utility with its principal place of business at 1615 Locust Street, Des Moines, IA, 50309, seeks to expand the Ida Grove II Wind Project. The proposed expansion project consists of eight (8) wind turbines and associated facilities and collection lines to be constructed on lands located in the Northwest portion of Ida County in the unincorporated townships of Battle, Logan, and Corwin.

A public informational meeting regarding the proposed project will be held at the following date, time, and location:

Monday, Oct. 6, 2025
2 p.m.
Second Wind: Work + Gather
111 East 2nd Street
Holstein, Iowa 51025

For more information, please call MidAmerican at (515) 281-2243 or email Kelsy Ballard, MidAmerican's Director of Project Development, at kelsy.ballard@midamerican.com.
